12 PROPOSALS & TOPICS:

- 12.1. **DV – Germany**
- i) **Breed Standard** – clarification of modifications to Breed Standard.
 - ii) **Transgression of FCI Rules** – Breeders breeding under numerous kennel affixes in different countries where they are not resident.
 - iii) **Breed Registers** – submission of breeding registers for Dobermanns from all IDC Member Countries.
 - iv) **Submission of WM & Show results** – all host Clubs of the annual IDC WM and Show are obliged to submit, in Excel format, immediately upon conclusion, at the latest within 3 days, the results of these events by email to info@dobermann.de.
 - v) **IDC Congress & Show 2016** – new discussion regarding the application by Slovenia to host the 2016 IDC Congress & Show.
- 12.2. **Austria**
- i) **Health – DCM** - Requests breed recommendations in order to contain this dangerous disease in the Dobermann. Urgent action is necessary. Every sire should submit a Colour Doppler screening for 24 hours annually. Brood bitches should undergo Colour Doppler screenings and 24 hour ECG. The results should be published in the relevant Canine Publications.
 - ii) **FCI Pedigrees** - Requests support in order to prevent the issue of recognised FCI documentation for uncontrolled litters which are not bred under the auspices of the relevant Breed Specific Umbrella Organisations of the countries where the puppies are born.
 - iii) **Official Assessments for private shows** - Requests support of the DV and the IDC to refrain from official assessments at private events/shows in order to prevent binding usage of such assessments.
- 12.3. **Portugal**
- ZTP / STARTER ZTP & HD Assessments** in foreign countries.
- 12.4. **Greece**
- i) **STARTER-ZTP** – request permission to hold 1 more Starter-ZTP event in Greece before the end of 2014.
- 12.5. **Romania**
- i) **Evaluation time for HD Assessments** – owners need more information regarding the delay in the HD-assessments.
 - ii) **STARTER ZTP** – request an extension of Starter-ZTPs. The sudden stop of the Starter-ZTP will eliminate dogs from breeding or from possible IDC Sieger Titles.
 - iii) **Croatian KC** is disregarding FCI regulations by not judging colours separately (black & brown) and not awarding CAC's to each colour.
